Re: United States v. Baimadajie Angwang  
Criminal Docket No. 20-442 (EK)

Dear Judge Komitee:

The government respectfully submits this letter to update the Court concerning the above-referenced defendant's COVID-19 status, consistent with the Court's instructions at the hearing held earlier today on the defendant's renewed motion for bond pending trial. See ECF No. 36. Following today's hearing, the government conferred with MDC medical personnel. They advise that the defendant completes his 10-day period of isolation today, that is, February 12, 2021. Per CDC guidelines, once the isolation period is completed, the defendant is no longer required to quarantine or isolate because he is no longer considered to be contagious, notwithstanding that he may still be showing symptoms of COVID-19.

Respectfully submitted,

SETH D. DUCHARME  
Acting United States Attorney
